Day 1-18:00- 22:00 hrs.

Days 2&3- 08:00-17:00 hrs.

Where:

Delaware County

Fire Training Center

34570 State Highway 10

Hamden, NY

Cost :

\$300.00

Includes lunch both days

Developed by NAEMT's Prehospital Trauma Life Support (PHTLS) Committee, the TECC program is based on the guidelines from the Committee on Tactical Emergency Casualty Care (Co-TECC) and the Tactical Combat Casualty Care (TCCC) program.

TECC uses lessons learned from our military and applies them to the civilian world of tactical medicine.

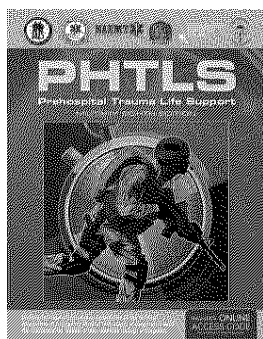

This 16-hour course covers topics designed to decrease preventable death in the tactical situation.

Skills and Concepts taught include:

- Strategies for rendering care to wounded responders in threatening environments
- Extrication techniques
- Hemorrhage control techniques using tourniquets and hemostatic agents
- Innovative airway, breathing and shock management techniques.
- State-of-the-art pain management procedures
- Pediatric Care
- Scenario based training and much, much, more!

Required Text

PHTLS Military
8th edition
