Presented by: John Bray, MA, NRP, CCEMTP

Mr. Bray has been active in emergency medical services since 1986, starting with New York City EMS. John served as Director of the Institute of Emergency Care at Saint Vincent's Hospital-Manhattan and as a member of the New York - Presbyterian Hospital's High Risk Neonatal Transport Team. He has a Master's in Public Safety and currently serves as Assistant Professor and Paramedic Program Coordinator at Indian River State College in Fort Pierce, Florida and is a regular speaker at CCEMTP programs.

John is a contributing author for the Jones & Bartlett CCEMTP textbook, as well as guest columnist for EMS World and Fire Engineering magazines. He currently resides in Port Saint Lucie, Florida with his wife Gwen.
