

Vital Signs 2024

Join Us for Vital Signs 2024
in Rochester, New York
October 17-20, 2024

Four Days of Education, Networking, and PLAY!

Exciting pre-conference sessions on EMS Research, Leadership, and Mental Health; Obstetrics, Educator Development; and more. Back by popular demand is the Vendor Hall Continuing Education Center and Simulation Center. Complete all the center stations and gain a continuing education credit. (Did we mention they are free?)

NEW FOR 2024! We've added an entire track for special operations and rescue on Saturday and Sunday.

NEW! The Vital Signs Conference in conjunction with Rescue Training International and the Borough of Manhattan Community College is excited to host the inaugural Vital Signs Skills Competition. Enter your team (applicable fees will apply) and challenge yourself by completing in various emergency scenarios in pursuit of the New York State EMS Cup.

Who Should Attend?

- Paramedics
- EMTs and AEMTs
- CFRs and First Responders
- Military Medics
- Physicians
- EMS Medical Directors
- EMS Educators
- EMS Chiefs, Officers, and Administrators
- Emergency Managers
- Firefighters and Rescue Personnel
- Tactical EMS Providers

Social and Networking Events

Friday Night Vendor Hall Social – Come visit with our vendors and special guests to learn more about innovative new products and services to provide the care your patients deserve. Join us for music and light refreshments, check out the Simulation Center, or take in a rapid-fire CME session.

Don't miss Saturday night at The Strong National Museum of Play. Bring your partner and come play a game. There will be classic games, digital, and even dodgeball included. Night at The Strong National Museum of Play is sponsored by Visit Rochester.
